Mr. C. V. Iyyu (*Kunnamkulam*): Since this has been proved to be a profitable measure will the Government be pleased to introduce this system in all possible places in the State?

Dr. A. R. Menon (*Minister for Rural Development*): There is a difference of opinion even about that. Apart from the question of profit or not, if this system is a better one certainly it will be done.

Mr. V. N. Damodaran Nambiar (*Trippunittura*): Has it been found to be a profitable one?

Dr. A. R. Menon (*Minister for Rural Development*): It is not a question of profit or loss. It is a question of usefulness and the efficacy of the method so that the neighbours may not have any trouble. Even in regard to this there is difference of opinion.

Mr. C. V. Iyyu (*Kunnamkulam*): It is found to be good for agriculture and profitable to the Government.

Dr. A. R. Menon (*Minister for Rural Development*): Unfortunately the manure is in the Depot and nobody is purchasing it.

Mr. C. R. Iyyunni (*Trichur-South*): Let us know what this compost-making is?

Dr. A. R. Menon (*Minister for Rural Development*): It is a kind of mixture of night soil, rubbish and other things and it is a good manure. This manure is sold at 4 annas per 100 lbs. Because of some sentimental objection the people won't purchase it.
